

50 CARE

Greenwood School District 50 2015

What is 50 CARE?

- The name means “***Counseling And Referral Elective***”. The program is paid for by Greenwood 50 and is intended to benefit employees by providing various types of counseling while maintaining a high level of confidentiality.

Effectiveness

- **The health and wellness of our employees has a direct and profound effect on the quality of work performed by those employees. This benefit is provided by our Board to offer confidential assistance to all employees and their immediate family at no cost.**

Who is Eligible?

- **Eligible participants will include employees, spouses, and immediate family members.**

Immediate Family

- **Immediate family members for the purpose of this program shall be defined as: children in the home under the age of 19; children enrolled in a college or vocational school under the age of 21; and biological children not in the household under the age of 19; or age 21 if enrolled in a college or vocational school.**
