PURCHASES	19.24% V	\$0.00	\$0.00

V = Variable Rate (rate may vary), Promotional Balance = APR for limited time on specified transactions.

**Important Messages**

**Traveling?**

Managing your credit card while traveling just became easier. Log into online banking ([www.bankofamerica.com](http://www.bankofamerica.com)) and select "Use your card while traveling" on the Information and Services tab before you hit the road and let us know your travel arrangements. Whether it's international or domestic travel. This great new functionality allows you to notify us of your travel arrangements and helps us avoid interpreting any unusual card activity as potential fraud.

As of October 2013, merchandise will no longer be available as a redemption option. You'll still be able to use your card to purchase merchandise at any retailer, earn points on that transaction, and redeem points for cash to offset your purchase, or gift cards or travel. In addition, cruise redemptions will be unavailable. However, we're updating our travel rewards redemption website to make it simpler and easier and you will have greater travel selection. Sign in at [www.bankofamerica.com](http://www.bankofamerica.com) to access your account, and select "Rewards" to learn more.

**Traveling?**  
Managing your credit card while traveling just became easier. Log into online banking ([www.bankofamerica.com](http://www.bankofamerica.com)) and select "Use your card while traveling" on the Information and Services tab before you hit the road and let us know your travel arrangements. Whether it's international or domestic travel. This great new functionality allows you to notify us of your travel arrangements and helps us avoid interpreting any unusual card activity as potential fraud.

As part of our continued commitment to the environment we announced a new 10-year, \$50 billion environmental business goal to help address climate change, reduce demands on natural resources and advance lower-carbon economic solutions.

The new initiative, effective January 1, 2013, will focus on energy efficiency, renewable energy and energy infrastructure, transportation, and water and waste. It will include lending, equipment finance, capital markets and advisory activity, carbon finance, and advice and investment solutions for clients.
